

2022 SEASON

GLOBAL QUALIFIER TRACK

Requirements

- The minimum field size is 200x100 ft (60x30 m)
- Guy wires are NOT required for the double gates
- All chapters can participate

8

5'x5' Gates

5

Flags

1

Double Gate

1

5'x10' Hurdle

All gate placements are measured to their left leg's staking point. 2 ft (0.6 m) distance between gate and flag. Offset 1ft (0.3 m) distance between gates.

The obstacles must be traversed in numerical sequence. Obstacles may only be entered in the sequence and direction specified.

Flag fabrics must be a minimum of 5'x1' and the top of the fabric must be elevated to at least 8 ft off the ground.
